This property is located in a residential neighborhood with a large lot of 1.7 acres (this property has been surveyed) and covered front porch. The home is improved with an attached 2 car garage, 3 bedrooms, den with separate door, 1 bath, living room, and kitchen on the main level. The basement has a finished ¾ bath and same square footage as the house. There is an in-ground pool with 8'x12' covered deck, and 8' x 22' covered patio in the rear. This home has nice sized yard and some woods behind it also. Well maintained home.
