This commercial property has been used as a body shop. There are two covered concrete porch areas on the front, 2 open lean to areas for storage on the rear, and lots of parking space on this metal commercial building. There is a paint room, large workshop area, second workshop area, the storage or band room with door to the West, storage room, office, rest room with shower, and above the large main workshop area is a floored attic with exterior stairway for storage. Plenty of room for any kind of business or storage. The property record card is also with property next door that seller is keeping. Will have to be divided.
